NOTICE

All Hugoton and Panoma field operators take notice that on May 11, 2007, the Kansas Corporation Commission, in Docket Numbers 07-CONS-144-CBPO (C-164) and 07-CONS-145-CBPO (60,024-C (C-7058)) adopted an Integrated Basic Proration Order (BPO) to govern production from both the Hugoton and Panoma fields. The provisions of the Integrated BPO will be effective on and after July 1, 2007.

Copies of the Commission's Order and the Integrated BPO may be obtained from the Commission's website: http://kcc.ks.gov/conservation/index.htm.

Of particular note is that on the effective date of the Integrated BPO, all overproduction will be cancelled. Any person that believes its correlative rights have been adversely affected by an overproduced well may file a complaint with the Commission on a well-by-well basis. The complaint and any remedy will be determined by the Commission after a hearing. Complaints must be filed by December 31, 2007, or the right to file such a complaint is lost.

If you have questions or need additional information, please contact the Conservation Division at 316.337.6200.
