BYLAWS
of
The State Corporation Commission of the State of Kansas

Preamble

The State Corporation Commission of the State of Kansas (Commission) is an independent state agency managed by three Commissioners who are each appointed by the Governor for a term of four years¹. The Commission has only the powers, duties, authority, and jurisdiction conferred upon it by the Kansas legislature.²

The Commission is subject to the Kansas Open Meetings Act,³ the Kansas Open Records Act,⁴ the Kansas Administrative Procedure Act,⁵ the Kansas Judicial Review Act,⁶ the Kansas Rules and Regulations Filing Act,⁷ the Governmental Ethics Act,⁸ and the Kansas Governmental Operations Accountability Law.⁹ In addition, the Commission adopts and incorporates by this reference the Kansas Code of Judicial Conduct, attached to these Bylaws as Appendix I, as in effect on the date of the adoption of these Bylaws.

In addition to the duties authorized under K.S.A. 74-601 *et seq.*, the Chairperson of the Commission is responsible for performing the functions articulated in the Kansas statutes and Commission regulations as described in Appendix II to these Bylaws.

Article I

Organizational Structure Authority

Pursuant to K.S.A. 74-629, the Commission is authorized to organize its office as it deems most efficient so long as it is not in conflict with Kansas or federal law.

Article II

Creation of Bylaws

The Commission hereby establishes these Bylaws to govern the internal organization and operation of the Commission. Pursuant to K.S.A. 77-438, these Bylaws are designated as a guidance document stating how and when the Commission will exercise its discretion

under K.S.A. 74-629. These Bylaws shall be binding only upon the Commission itself and its employees.

Article III

Amendments to Bylaws

These Bylaws may be amended or rescinded at any business meeting of the Commission by majority vote of the Commission, provided that notice of the proposed action has been provided to all commissioners at least 15 days before the business meeting at which the action is to be taken. A shorter notice period for amending or rescinding the Bylaws may be approved by unanimous vote of the Commission.

Article IV

Organizational Structure of the State Corporation Commission

The Commission shall be organized into statutorily-recognized divisions and offices, which include: Utilities; Conservation; Transportation; Public Affairs and Consumer Protection; General Counsel; and executive director, each of which is managed by a director or officer appointed pursuant to K.S.A. 74-601 *et seq.* The Commission shall include within its organization the Office of Energy, the director of which shall manage the energy program mandated by K.S.A. 74-616 *et seq.* The directors of the statutorily-recognized divisions and offices shall report directly to the Commission and shall be referred to collectively as the Management Team.

The Commission shall include within its organization the Office of Litigation Counsel, which shall provide legal support to the Utilities, Conservation, and Transportation divisions. The chief litigation counsel shall report directly to the Commission and is a member of the Management Team.

The Commission shall also include organizational units that provide administrative support services as follows: Docketing Services; Fiscal Services; Human Resources; and Information Technology. The managers of the administrative support units shall report directly to the director of administrative services and governmental affairs, who is also a member of the Management Team. The director of administrative services and governmental affairs shall report to the executive director. In the event the director of administrative services and government affairs position shall at any time be unfilled, the managers of the administrative support units shall report directly to the executive director.

Directors, officers, and managers may organize their respective work units in the most efficient manner they deem appropriate. Nothing shall prohibit any commissioner from working or communicating directly with Commission employees subject to the provisions and limitations of K.S.A. 77-545, as applicable.

The Organizational Hierarchy of the Commission is illustrated in Appendix III, attached to these Bylaws.

Article V

Executive Director

The executive director shall aid the Commission in the administration and execution of Commission business. The executive director shall not use this authority to direct or control any substantive policy of any statutorily-recognized division of the Commission or create Commission policy or to interfere with communications between the Commission and any Commission employees or contractors. The executive director shall carry out any other functions as prescribed by law or as directed by the Commission.

Specifically, the executive director shall perform such duties and exercise such powers as are delegated by the Commission;¹⁰ serve as the secretary to the Commission;¹¹ sign and approve certain motor carrier certificates;¹² receive communication, confidential information and requests for confidential information on behalf of the Commission;¹³ receive filings made with the Commission;¹⁴ assign docket numbers and captions;¹⁵ affix the official signature of the Commission;¹⁶ receive notice of termination relevant to gas gathering systems on behalf of the Commission;¹⁷ submit a copy of distribution system incident reports to the United States Department of Transportation;¹⁸ and receive applications for video service authorization certificates on behalf of the Commission.¹⁹

The executive director shall be responsible for the annual development and implementation of a Commission-wide strategic plan. This planning process shall encompass a planning period of at least the next five fiscal years; solicit and consider suggestions and input from the directors of all statutorily-recognized divisions of the Commission and from the commissioners; and, shall include budget and non-budget considerations specifically including, among other matters, the development of employee cross-training procedures and key employee job-specific succession planning.

In the event the executive director position is unfilled at any time, these duties may be temporarily performed by the secretary to the Commission or another employee as authorized by the Commission. The executive director or secretary shall report directly to the Commission and is a member of the Management Team.

Article VI

General Counsel

The general counsel of the Commission shall provide legal advice to the Commission on matters pending before the Commission under the jurisdiction and authority granted to the Commission by the Kansas legislature and shall defend the orders of the Commission on appeal under the Kansas Judicial Review Act. The general counsel shall act on the Commission's behalf in other matters pending in state or federal courts²⁰ or before other state or federal agencies in which the Commission is named as a party. The general counsel shall represent the Commission on matters of employment or other matters arising out of the day-to-day operations of the Commission and shall advise the Commission on the adoption of policies under which the Commission operates. The general counsel shall report directly to the Commission and is a member of the Management Team.

Article VII

Action on Personnel Matters

Decisions relating to the employment of any employee who reports directly to the Commission as provided in Articles IV, V, and VI above, may only be made by the Commission after consultation and discussion among the commissioners in an executive session. When necessary to resolve the employment matter under consideration, the Commission may vote to authorize the chairperson to take the personnel action. Any Commission vote taken to facilitate personnel actions shall protect the privacy of the affected employee to the extent possible. The Director of Human Resources shall notify all commissioners of any changes in the employment status of any Commission employee. Nothing in these Bylaws shall limit or restrict the Commission's ability to address employment matters.

Article VIII

Commissioners as Representatives

(1) Southwest Power Pool (SPP) Representative

The Commission shall designate one commissioner to serve as the representative for the SPP Regional State Committee (RSC).²¹ The SPP representative may be designated or ratified at any business meeting of the Commission by majority vote of the Commission. A Commission employee selected by the Utilities division director shall serve as technical advisor to the SPP representative and participate in SPP meetings, as required. An attorney from the Commission shall attend SPP RSC meetings, as required, and provide status reports from those meetings to the other commissioners. In addition, the

²¹ K.S.A. 74-633.

attorney or the Utilities division employee shall provide the commissioners with a regular report on the Commission's SPP activity at least quarterly.

(2) Kansas Water Authority Representative

The Chairperson shall serve as an *ex officio* member of the Kansas Water Authority.²²

(3) Interstate Oil and Gas Compact Commission Representative

Subject to appointment by the Governor,²³ a commissioner may serve as the official state representative to the Interstate Oil and Gas Compact Commission.

Article IX

Budget Planning

1. On or before April 1st of each year, Fiscal Services shall timely initiate and develop a detailed, date-specific, step-by-step scheduled budget timeline that provides for a consistent reporting format for review and approval by the heads of the statutorily-recognized divisions and offices and by the commissioners.
2. On or before June 1st each year, heads of the statutorily-recognized divisions and offices shall submit to the Commission any request for capital expenditures (inclusive of proposed vehicle purchases) and salary increases (inclusive of possible promotions) in their respective budgets for the next budget cycle and shall provide justification for the proposed changes to be considered by the Commission in preparing the annual agency budget submission.
3. On or before July 15th each year, the Commission shall conduct a work study session to review the proposals from each head of the statutorily-recognized divisions and offices regarding any requested capital expenditures and salary increases.
4. On or before August 15th each year, heads of the statutorily-recognized divisions and offices shall submit to the Fiscal Services manager and the Commission all requests for expenditures or proposed amendments to their respective budgets for the next budget cycle and shall provide justification for any proposed changes from the previous budget cycle to be considered by the Commission in preparing the annual agency budget submission.
5. On or before August 15th each year, or more frequently if necessary, the Conservation Division director and the Fiscal Services manager shall jointly report to the Commission the revenue and expenditure assessment for the

²² K.S.A. 74-2622.

²³ K.S.A. 55-865.

Conservation Division. A recommendation to the Commission to either increase, decrease, or maintain the Conservation Fee Fund assessment rates for the next budget cycle will be included in the report to the Commission. A Conservation Division Fiscal Working Group shall be formed in coordination with the Oil and Gas Advisory Committee to elicit, receive, and consider input regarding the content and proposed budgetary expenditures for the Conservation Division for the next budget cycle. The report and recommendation to the Commission shall also include any input received from the Conservation Division Fiscal Working Group.

6. On or before August 15th each year, the Fiscal Services manager shall report to the Commission on the status of the Commission's vehicle fleet. Commission approval is required prior to purchasing or replacing vehicles that were not included in the approved budget.
7. At the end of each month of the fiscal year, the Fiscal Services manager shall provide the directors of all statutorily-recognized divisions and the commissioners with such fiscal reports as they shall request, specifically including a monthly report detailed by budget line item indicating the expenditures during the fiscal year to the date of the report and indicating the dollar amount of the budget allocation for each line item that remains unspent and available for expenditure or encumbrance for the remainder of the fiscal year.

Article X

Action on FERC Dockets

In the event that less than a majority of commissioners is present to approve time-sensitive matters for filing at the Federal Energy Regulatory Commission (FERC), the Chairperson may approve interventions in FERC dockets, subject to ratification at the next Commission business meeting.

Article XI

Commission Use of Outside Entities and Agencies

In action taken at any business meeting, the Commission may contract with the Kansas Office of Administrative Hearings for a presiding officer pursuant to the Kansas Administrative Procedures Act.

Article XII

Commission Meetings

Unless otherwise directed by the Commission, the following meetings shall occur weekly on the following days:

1. Business Meetings – Tuesday and Thursday
2. Work Study Sessions – as necessary
3. Administrative Meetings – Thursday

Deadlines to request items to be placed on the agenda of Commission business meetings and/or to submit proposed orders for consideration at Commission business meetings shall be as follows:

Tuesday business meetings: The deadline for the Tuesday business meeting shall be 4:00 p.m. on the immediately preceding Thursday.

Thursday business meetings: The deadline for the Thursday business meeting shall be 4:00 p.m. on the immediately preceding Monday.

The deadline to submit a request for an item to be considered for a work study session shall be 4:00 p.m., one week before the proposed meeting date.

Administrative meetings are for the purpose of facilitating discussion between the Commission and its employees.

The Commission may call a meeting, other than a regularly scheduled business meeting, to discuss and take action on a particular item(s) before the Commission so long as twenty-four hours' public notice is provided. Such a meeting may be called unilaterally by the Chairperson, or by a majority vote of the Commission.

The Commission may call an emergency meeting to discuss and take action upon serious or imminent threats to entities or interests under the Commission's jurisdiction, or any other matters where time is of the essence. In the event an emergency meeting is called, the Commission shall strive to provide three hours' public notice. However, if that is not practicable, the Commission shall provide reasonable notice in accordance with the Kansas Open Meetings Act, K.S.A. 75-4317 through 75-4320a and amendments thereto.

The Commission may cancel any previously scheduled meeting at any time prior to the meeting. The Commission may adjust the time of a specific meeting, regardless of the type of meeting, so long as reasonable public notice is provided and any adjustment is limited to unique circumstances and evaluated on a case-by-case basis.

Any meeting outlined above shall be conducted in accordance with the Kansas Open Meetings Act, K.S.A. 75-4317 *et seq.* and Robert's Rules of Order Newly Revised, 11th Edition.

Article XIII

Organization and Planning of Commission Schedule

On the Thursday following the second Monday of January of each year, the Commission shall hold an organizational meeting in the Commission's Topeka office immediately following the regularly scheduled business meeting. During the organizational meeting, the Commission shall:

- (1) Review and approve the schedule of Commission meetings for the current calendar year;
- (2) Review these Bylaws;
- (3) Review the fiscal year-to-date budget report;
- (4) Review and approve an updated Commission organizational chart and internal operating policies and plans;
- (5) Elect a commissioner to serve as the Chairperson; and
- (6) Receive a legislative update.

In June, the Commission shall review the business meetings planned for the remainder of the calendar year and make any appropriate revisions. Nothing herein shall limit the Commission's ability or authority to amend the business meeting schedule as the Commission deems necessary throughout the year.

Article XIV

Any amendment to these Bylaws shall supersede the previous version of the Bylaws.
