

Jay Wittstock, LS, CFeds
Westwood Professional Services
Survey Manager, St. Cloud

Jay joined Westwood in 2005 bringing with him more than 27 years experience in land surveying and GIS.

His work in both the private and public sector provides value to our clients. Jay's wide range of knowledge and experience allows him to provide recommendations that help projects to move along smoothly and efficiently.

Jay is a licensed Land Surveyor in Minnesota, South Dakota, North Dakota, Wisconsin, and Wyoming and is one of two Certified Federal Surveyors in Minnesota.
