

Joe Montague
Energy Auditor - State of Kansas

Joe joined the State of Kansas as part of Executive Directive, signed by Governor Sebelius earlier this year. Working in the Kansas Department of Administration, he is responsible for the oversight of the initiatives set out in the Energy and Conservation Management Directive.

Prior to joining the State of Kansas, Joe has worked in the energy services field since 1995. Most recently with Constellation New Energy Services of Baltimore. Joe has also worked for the Mead Corporation in the Health and Environmental Services Department.
