

Kevin Heimiller
Westar Energy

Kevin Heimiller is Director Meter Operations for Westar Energy.

He has been with Westar Energy for over 33 years.

For 25 years, he spent in the Meter Operations group. Kevin is responsible for all metering activities for Westar Energy, including meter reading and meter services.

He has lead many efforts looking at automatic meter reading, and since has co-lead an effort to look at advanced meter infrastructure.

Kevin was a co-writer of the meter technical standards for the Southwest Power Pool.
