

Mark Lawlor
Horizon Wind Energy

Mark Lawlor, a native Kansas, joined Horizon in March, 2007 as a Project Manager for Horizon Wind Energy with a focus on the Kansas market.

Prior to joining Horizon, Mark was a partner in a law firm specializing in renewable energy law. In addition to developing new wind energy projects, he is involved in shaping legislative and regulatory policy.

Mark has a J.D. from Washburn University School of Law with a Certificate in Environmental Law, and a B.A. in Environmental Studies and Political Science from the University of Kansas.

Mark is currently managing the development of the Meridian Way Wind Farm near Concordia, Kansas. Meridian Way is a 201 MegaWatt wind project that is planned to come on-line by the end of 2008.
