

**Neal J. Angrisano, AIA**  
**Johnson County Government**

Neal is the Deputy Director of Facilities Management for Johnson County, Kansas.

He is a registered architect and has directed the planning, design and construction of over \$300 million in new capital construction for two public entities. In addition to this, Neal spent 10 years in private practice with two nationally recognized architectural firms.

He was the 2000 president of the Kansas Chapter of the American Institute of Architects. Neal is a member of the Design Build Institute of America (DBIA) and the United States Green Building Council (USGBC).

Neal received both his Bachelor and Master of Architecture from the University of Kansas.

He is also a faculty member of the University of Kansas School of Architecture and Urban Design, teaching several courses in the Master of Architectural Management program, including Project Delivery, Architect-Client Relations and Alternative Careers for Architects.
