

Rod Meredith
Riley County Public Works

Rod is the Assistance Director of Public Works at Riley County. He has worked for Riley County for 27 years and previously worked for Meade County for 4 years.

Rod has a bachelors degree from Kansas State University and has served as secretary-treasurer, vice-president, and president of the Kansas County Highway Association.

Rod is currently co-chair of the Kansas County Road Scholar Committee and serves on the KCHA executive board as the State Director for the National Association of County Engineers.

At Riley County, Rod is responsible for the operations management of the Road & Bridge, and Fleet Divisions of Public Works. He also serves as the County Parks Director.

He supervises 52 employees and is responsible for the maintenance and operation of 6 crews and 11 building facilities.

Rod is responsible for the maintenance of about 350 miles of roads, 280 pieces of equipment, and 6 county parks.
