

**SHERII (Shuh-ree) FARMER**

Sherii has been an account manger for Consumer Services at Westar Energy's **EfficiencyWorks** department since February 2008.

Her primary responsibilities include educating the public about energy efficiency measures through community events and presentations and creating a new energy efficiency education program for schools.

Prior to working with Westar Energy, Sherii was the Program director for a state-wide nonprofit organization, Youth Entrepreneurs Kansas (YEK) which provided high school students the opportunity to learn about entrepreneurship and the skills it takes to own their own business.

She has experience with national and international educational organizations and enjoys working with teachers to educate our students.
