Item No.	Subject And Application
	<p><b><u>ITEM 5</u></b></p> <p><b>OPERATING AUTHORITY</b> Rates and provisions named in this tariff, or as may be amended, are limited in their application on intrastate commerce to the extent of the operating rights set forth below:</p> <p><b>IRREGULAR ROUTES</b> <b>HOUSEHOLD GOODS, GENERAL COMMODITIES</b> (except classes A and B explosives, commodities in bulk, and hazardous materials) Between all points and places in the state of Kansas</p> <p><b><u>ITEM 10</u></b></p> <p><b>BILL OF LADING</b> Upon receipt of freight, it shall be the duty of the carrier to immediately examine shipment tendered and if found as described, to issue to the shipper a bill of lading, which will show the name of the shipper, commodity, name of consignee and destination, total man hours worked &amp; time traveled, and if the shipment is prepaid, the bill of lading shall so state.</p> <p><b><u>ITEM 15</u></b></p> <p><b>DISTANCES</b> Subject to (A) and (B) below, distances used to determine rates and charges shall be shown on the latest Kansas Department of Transportation official highway map, via Interstate, U.S. , or State Highways. Routes over which mileage is not shown may be used only when point of origin or destination is located thereon. Then and only under such circumstances shall the scale of miles as specified on a map be used in computing distance between such point and the nearest National, U.S., or State Highway for which mileage is shown.</p> <p>A. Where due to flood conditions, condition of bridges, roads and/or repair, or for any other reasons over which carrier has no control, it is impracticable to operate the vehicle over highways forming the shortest distance between origin and destination, thus requiring carrier to detour; the shortest available alternate route via detour shall be used to determine mileage between origin and destination.</p> <p>B. When shipments move under special permits required by and obtained from a municipal or state regulatory body or commission, which specify therein the route to be traveled by the motor vehicle, the mileage to be used in determining the rate will be that shown on the map via route specified in special permit.</p> <p><b><u>ITEM 20</u></b></p> <p><b>IMPRACTICABLE OPERATIONS</b> Nothing in this tariff shall be construed as requiring carrier to provide service from or to points which, due to condition of streets or roadways, it is impracticable to operate vehicles.</p> <p><b><u>COMMODITY RATES</u></b> <b><u>ITEM 25</u></b></p> <p>Rates in this item apply on the transportation of <b>HOUSEHOLD GOODS</b>. Total charges will be the sum of all applicable rates and charges named herein.</p> <p>A. <b>LOADING AND UNLOADING</b>, per hour or fraction thereof.</p>
