## KidWind Phone Numbers Game

*Example: An electrical utility wants the phone number 769-3787 because of the 7-letter phrase the number spells. What's the phrase? POWER UP*

The Kansas Energy Program wants to change its telephone number to **428-3386** to reinforce the number one directive we give to students participating in the Kansas KidWind Challenge.

The Blue Team from STEM Magnet School at Allen Elementary wants to change their phone number to **946-6377** to describe their experience at the 2022 National KidWind Challenge.
