

BRAIN BUSTERS

NRG Flow – Part 1 (Solution)

Energy is the lifeblood of our universe and flows through every process known to us. “Energy” is the most common definition for **NRG** on Snapchat, WhatsApp, Facebook, Twitter, Instagram, and TikTok.¹ To illustrate energy’s integration into our lives, use only the letters NRG to fill in the blanks to create common, uncapitalized words. Each letter in NRG will be used at least once in every word, not necessarily in the same order.
