

Kansas Corporation Commission

Abandoned State Well Plugging Program

The KCC Abandoned Well Plugging Department would like to announce the re-opening of our State Well Plugging Program contract.

Before this contract is officially released we would like to announce the change in combining all district contracts to make one ALL STATE WELL PLUGGING PROGRAM contract.

We will be hosting In-Person Contractor meetings at certain district locations in January 2023. Each meeting will consist of specific program information, bidding registration, contract specifics, KCC expectations, and contractor questions. The same information will be presented at each meeting however specific district information could be discussed.

Dates, Locations, and Registering Information Below:

BENEFITS

- Set your own initial contract price
- Competitive pricing with project discount advantages
- Easy registration to become a certificated contractor
- Easy plugging and site remediation project bidding
