COMMON CARRIER TARIFFS

82-4-53 Common motor carrier rates and charges. (a) Common motor carriers of household goods or passengers that are engaged in intrastate commerce in Kansas shall maintain on file with the commission a copy of the tariff publications applicable to their lines between points in Kansas. The carriers shall keep open for public inspection, at their principal offices and locations at which they have employed exclusive agents, all intrastate tariff publications applicable to their lines from or to their stations.

(b) Each change to a tariff publication shall be made subject to 30-day notice to the public and the commission, unless otherwise authorized by the commission. Tariff publications of motor carriers effecting changes resulting in increases in charges, either directly or by means of any change in the regulation or practice affecting a charge or value of service, may be filed on one-day notice to the commission and the public. Applicants granted new authority may file tariffs to be effective on one-day notice. Transferees may adopt the existing tariffs of transferors to be effective on one-day notice.

(c) Tariff publication, except general rate increases, shall not go into effect without prior approval of the commission. The publications shall be subject to protest and suspension. All publications shall be accompanied by a full and complete statement citing the reasons and justifications for the changes.

(d) General rate increases shall be made only by filing an application and after approval of the commission.

(e) Protests of tariff publications shall be considered only if received by the commission at least 12 days before the published effective date of publications. Pursuant to protest or on the commission's own motion without protest, postponement of an effective date may be ordered by the commission to permit the matter to be properly investigated. Unless otherwise ordered by the commission, publication shall become effective as filed. Publications shall not be postponed to exceed 90 days.

(f) All tariff publications shall be made in compliance with the commission's regulations governing the publication and filing of household goods and passenger rates and charges. (Authorized by K.S.A. 66-1,112; implementing K.S.A. 66-117, K.S.A. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended Jan. 4, 1999; amended Oct. 22, 2010; amended July 26, 2019.)

82-4-54 Tariff publication to become effective on less than 30-day notice. (a) Departure from the commission's requirement in K.A.R. 82-4-53(b) that tariff publications become effective on 30-day notice may be permitted by the commission, if good and sufficient cause is shown to convince the commission that publication should be made on short notice.

(b) The applicant shall provide all related facts or circumstances that could aid the commission in determining if the request is justified. If permission to establish provisions on less than the required notice is sought, the applicant shall state why the proposed provisions could not have been established upon 30-day notice.

(c) Permission to allow a tariff to become effective on less than 30-day notice shall be granted in cases for which good cause is shown. The desire to meet tariff publications of a competing carrier that has been filed on 30-day notice or one-day notice

may be considered a factor for permitting publication on short notice. (Authorized by K.S.A. 66-1,218 and K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 66-1,218 and K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended May 1, 1987; amended Jan. 4, 1999; amended Oct. 22, 2010.)

(a) Each protested tariff publication sought to be postponed shall be identified by making reference to the name of the publishing carrier or agent, to the motor carrier's K.C.C. tariff number, and to the specific items or particular provisions protested. The protest shall state the grounds, indicate in what respect the protested tariff publication is considered unlawful, and state what the protestant offers as a substitution. Each protest shall be addressed to the commission. A protest shall not include a request that it also be considered as a formal complaint. If a protestant desires to proceed further against a tariff publication that is not postponed or that has been postponed and the postponement vacated, a separate, later, formal complaint or petition shall be filed.

(b) Protests against, and requests for, postponement of tariff publications filed under this regulation shall not be considered unless made in writing and filed with the commission in Topeka, Kansas. The original and five copies of each request for postponement shall be filed with the commission at least 12 days before the effective date of the tariff publication, unless the protested publication was filed on less than 30-day notice under the authority of this commission, in which event the protests shall be filed at the earliest possible date. In an emergency, protests submitted by fax shall be acceptable if they fully comply with subsection (a) and copies are simultaneously

faxed by protestants to the respondent carriers or their publishing agents. An original and five copies of the fax shall simultaneously be mailed by the protestants to the commission in Topeka.

(c) An original and five copies of each protest or reply filed under this regulation shall be filed with the commission no later than 10 days after the publication of the tariff, and one copy of the protest shall simultaneously be served upon the publishing carrier or agent and upon other known interested parties.

(d) Each order instituting an investigation shall be served by the commission upon respondents. If the respondent fails to comply with any requirements or time period specified in the order, the respondent shall be deemed to be in default and to have waived any further hearing. The investigation may then be decided without further proceedings. RULES APPLICABLE TO COMMON CARRIERS AND CONTRACT CARRIERS

82-4-63 Contested and uncontested motor carrier hearings. If neither protestants nor intervenors appear and offer testimony or evidence in support of their contentions, raise a question of law, or cross-examine the applicant's witnesses with reference to any pending application,

the application shall be considered as uncontested. (Authorized by K.S.A. 66-106, 66-1,112; implementing K.S.A. 66-106, 66-1,114, 66-1,115, and 66-1,119; effective Jan. 1,1971; amended May 1,1981; amended May 1, 1987; amended Jan. 4, 1999; amended Oct. 22, 2010; amended July 26, 2019.)

(a) At any meeting of carriers party to the agreement or carrier committees at which rates, rules or classifications are discussed or considered, 30 percent of the carriers party to the agreement or 50 percent of the committee shall constitute a quorum. The quorum requirement shall apply to any meeting when discussion includes general rate increases and decreases, tariff restructuring, commodity classification, or rules and classifications changes proposed for tariff publication. Carrier members present by means of a proxy shall count towards the satisfaction of the quorum requirement. There shall be no voting unless at least one member carrier is present and possesses the authority for a lawful vote.

(b) Exceptions to the quorum standard may be granted upon a showing to the commission of genuine hardship. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

A written affirmation shall be made by each carrier for itself and by each grantor of a proxy.

(d) The organization shall provide standard proxy forms to members, and a copy of all proxies exercised and the written certification of authority executed by the proxy holder for the grantor shall be made part of the voting record. That organization shall not change or cancel any rate established by independent action other than a general increase or broad rate restructuring. However, changes in the rates may be effected, with the written consent of the carrier or carriers that initiated the independent action, for the purpose of tariff simplification, removal of discrimination, or elimination of obsolete items.

(b) Collective adjustments pursuant to K.S.A. 66-1,112, and amendments thereto, shall not cancel rate or rule differentials or differences in rates or rules existing as a result of any independent action taken previously, unless the proponent and any other participant in that independent action desires to eliminate the rate differential or application and notifies the organization in writing of its consent.

(c) Independent action shall mean any action taken by a common carrier member of

an organization to perform any of the following:

(1) Establish a rate to be published in the appropriate rate tariff or cancel a rate for that carrier's account;

(2) instruct the organization publishing the rate tariff that the existing rate or rates, whether established by independent action or collective action, proposed to be changed or cancelled be retained for that carrier's account and published in the appropriate tariff; or

(3) publish for the common carrier's account, in the appropriate tariff, a rate established by the independent action of another carrier. This definition shall apply regardless of the manner in which the carrier joins in the rate, if the rate published for the joining carrier's account is the same as the rate established by the other carrier under independent action. (Authorized by and implementing K.S.A. 2009 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983; amended Oct. 22, 2010.)

(c) There shall be no collective discussion of independent actions as defined in K.A.R. 82-4-77 until they have been filed with the commission. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-79 Organization employee limitations. (a) Employees and employee committees of the organization shall not initiate a proposal nor determine whether to adopt, reject, or otherwise dispose of a proposal effecting a change in any tariff item published by or for the account of any member carrier.

(b) Employees and employee committees may provide expert analysis and technical assistance to any member carriers or shippers in developing or evaluating a carrier or shipper initiated rate or rule proposal.

(c) Any advice concerning an independent action as defined in K.A.R. 82-4-77 proposal shall remain confidential. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

However, if unusual circumstances require, the organization may extend that period, subject to review by the commission. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-82 Burden of proof of violations and effects of violations. In any proceeding in which a party alleges that a carrier voted, discussed, or agreed on a rate

or allowance in violation of collective ratemaking regulations of the commission, that party shall have the burden of showing that the vote, discussion, or agreement occurred. A showing of parallel behavior shall not satisfy that burden by itself. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-83 Commission review of collective rate making agreements. The commission shall review each collective rate making agreement approved under these rules at least once every three years to determine whether the agreement or an organization established or continued under an approved agreement still complies with the requirements of the statutes and applicable rules. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-84 Revoking collective rate making agreements. Upon proper notice and hearing, and a finding that the collective rate making procedures are not being followed, the commission may revoke its approval or order corrections to the activities and procedures of persons, groups, agencies, bureaus and other entities engaging in collective rate making before the commission. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

(a) Each carrier that is a party to a collective rate-making agreement and files an application proposing a general increase or decrease in rates shall submit with the application schedules indicating to the commission the nature and extent of the proposed changes to be effected.

(b) Each application shall be based upon data submitted for a test year. The application and schedules shall be filed with the commission by electronic mail. The size of print used in the application and schedules shall be clearly legible. Negative numbers shall be shown in parentheses. Amounts included in the application shall be cross-referenced between the appropriate summary schedule and supporting schedules, as well as among the various sections. Referencing shall include allocation ratios, when appropriate. All items shall be self-explanatory. Additional information, cross-references, or explanatory footnotes shall be presented on the schedule. The application shall be supported by schedules as specified in this subsection and shall be assembled under topical sections, with each section clearly identified and a page number for each schedule. The form, order, and titles of each section shall be prescribed as follows:

(1) Application, letter of transmittal, and authorization. This section shall contain a copy of the application, a copy of the letter of transmittal, and an appropriate document or documents authorizing the filing of the application, if any.

(2) General information and publicity. (4) List of carriers in the study group. The list shall state the carriers used in the study group. A detailed explanation of how the study group of carriers was selected shall also accompany this section.

(5) Study group carriers' operating ratios. This section shall contain the Kansas intrastate operating ratios for the actual test year for the study group carriers.

(6) Study group carriers: test year and pro forma income statements. This section shall present the following:

(A) An operating income statement for each of the study group carriers and a composite statement of all the study group carriers depicting the unadjusted test year operations for the total system; and

(B) a second schedule that expands the actual system composite income statement to a Kansas intrastate operations income statement. This statement shall be adjusted to show pro forma test year operations. Supporting schedules shall set forth a full and complete explanation of the purpose and rationale for the pro forma adjustments. The pro forma adjustments may include adjustments to reflect the elimination or normalization of nonrecurring and unusual items, and adjustments for known or determinable changes in revenue and expenses.

(7) Capital and cost of money. This section shall be prepared for each participating carrier having total Kansas intrastate system revenue of one million
